Drive, Chip and Putt Contestant,

Thank you for your interest in the Drive, Chip and Putt Championship. Please refer to this informational document for all things pertaining to your local qualifying event.

Each player will compete in Driving, Chipping and Putting. The sheet titled “Rules of Competition” provides a description of each skill and the appropriate point values for each result. The tie-breakers, overall champions and regional qualifiers are also provided.

Players will be expected to be at the appropriate skill and ready to play when introduced by the starter. We have limited time, so players should move directly to the next station as they complete each skill competition.

Pace of Play: Players will play without delay and must play when prompted by the starter. Delay or Failure to do so will result in point deductions.

Advice/Coaching: Once a player begins the competition, they will complete all three skills (Drive, Chip, and Putting) without coaching or other assistance.

Age Divisions: Age divisions are based on **THE AGE YOU WILL BE ON APRIL 1, 2018**. All participants will be expected to show proof of age should they advance to regional qualifying. Failure to provide a birth certificate or proper form of age verification at the regional qualifier will result in that participant being ineligible to compete.

Notice to Players: All players are responsible for their own golf clubs and golfing attire.

YOUR TEE/REPORTING TIME IS LISTED ON PAGE 5 OF THIS DOCUMENT

PLEASE LEAVE AMPLE TIME TO REGISTER, WARM UP/STRETCH AND BE READY TO PLAY AT YOUR TEE TIME. ARRIVING LATE FOR YOUR TEE TIME WILL RESULT IN A TOTAL POINT DEDUCTION OR DISQUALIFICATION.

Following the completion of play in each division, there will be an awards ceremony in the scoring area. At that time, ribbons will be awarded to the 1st, 2nd and 3rd place players in each skill as well as overall. There are no further activities following the awards ceremony and you are free to leave at that time.

The top three overall point earners in each of the boys and girls divisions from the four age brackets will advance to the sub-regional qualifying level of the competition. Players who qualify for a sub-regional competition must compete at the location in which they are assigned.

Rules of Competition

1. The 2017-18 Drive, Chip and Putt Championship is open to boys and girls ages 7-15. Boys and girls will compete in separate divisions in four age categories: 7-9 years old; 10-11 years old; 12-13 years old; and 14-15 years old.
2. Participants will be grouped based on their age as of the championship final on Sunday, April 1, 2018. Participants must be at least 7 years of age on Sunday, April 1, 2018, and may not be older than 15 years of age on Sunday, April 1, 2018. Please note: a player may participate in Local, Sub Regional and Regional qualifying if he/she is 6 years old provided that he/she turn 7 years old prior to April 1, 2018. A 15 year old who will turn 16 years of age prior to April 1, 2018 is not eligible to participate.
3. All participants will be expected to show proof of age. Failure to provide a birth certificate or proper form of age verification at the appropriate time will result in that participant being ineligible to compete.
4. Participants may register to compete in only one local competition. Competing in more than one local competition will result in the automatic disqualification of that participant.
5. The guardian or parent of all participants must submit a release of liability form prior to participation.
6. All competitors must conform to the [USGA Rules of Amateur Status](#). Participation in the Drive, Chip & Putt Championship will in no way affect a competitor's amateur status.
7. The player's clubs and golf balls must conform with Rules of Golf and the provisions, specifications and interpretations set forth in Appendices II (for golf clubs) and III (for golf balls).

Scoring / Competing

1. Each participant will compete in all three skills (Drive, Chip & Putt). An individual rules sheet for each skill competition is available on the championship website (www.drivechipandputt.com).
2. Participants will accumulate points in each skill. The participant with the highest number of accumulated points will be declared the Overall Champion of his or her age category.
3. In the case of tie in the overall score, the putting rank will serve as the tie breaker (followed by 1) chipping and 2) driving if necessary).

Local / Regional Qualifying Scoring:

All championship scoring will be based on a 25-point-per-shot basis, with each participant taking three shots per skill. Each participant will accumulate points per shot in all three skills (maximum of 75 points per skill = 25 points per shot x 3). The overall champion in each age category will be determined by the participant with the most points accumulated between all three skills (maximum of 225 points = 75 points per skill x 3).

Driving

1. 40-yard wide fairway – all shots must finish in the fairway to score points.
2. Flags marking both sides of the fairway at 25-yard increments beginning at 100 yards.
3. A ball coming to rest on any of the boundary lines is considered in bounds.
4. A ball coming to rest on any of the scoring lines will be scored in the longer of the two scoring grids.
5. In the event of a tie the contestant's third drive will serve as a tie breaker (followed by second and first if necessary). If a tie still exists, co-champions of the skill will be declared.
