Scoring / Competing

1. Each participant will compete in all three skills (Drive, Chip & Putt). An individual rules sheet for each skill competition is available on the championship website (www.drivechipandputt.com).
2. Participants will accumulate points in each skill. The participant with the highest number of accumulated points will be declared the Overall Champion of his or her age category.
3. In the case of tie in the overall score, the putting rank will serve as the tie breaker (followed by 1) chipping and 2) driving if necessary).

Local / Regional Qualifying Scoring:

All championship scoring will be based on a 25-point-per-shot basis, with each participant taking three shots per skill. Each participant will accumulate points per shot in all three skills (maximum of 75 points per skill = 25 points per shot x 3). The overall champion in each age category will be determined by the participant with the most points accumulated between all three skills (maximum of 225 points = 75 points per skill x 3).

Driving

1. 40-yard wide fairway – all shots must finish in the fairway to score points.
2. Flags marking both sides of the fairway at 25-yard increments beginning at 100 yards.
3. A ball coming to rest on any of the boundary lines is considered in bounds.
4. A ball coming to rest on any of the scoring lines will be scored in the longer of the two scoring grids.
5. In the event of a tie the contestant’s third drive will serve as a tie breaker (followed by second and first if necessary). If a tie still exists, co-champions of the skill will be declared.

Chipping

1. Each participant will attempt three 10-15 yard shots at the scoring hole. All shots will be measured from the center of the hole with a string clearly marking the scoring rings.
2. The difficulty of the shot will increase with age (A relatively flat lie with little to no break for U9 year olds and an uneven lie with medium break to the chip for 14-15 year olds).

3. A ball coming to rest on any of the scoring lines will be scored in the higher of the two point rings.
4. In the event of a tie the contestant's third chip will serve as a tie breaker (followed by second and first if necessary). If a tie still exists co-champions of the skill will be declared.
