When a group will be timed, all players in the group will be informed they are being timed.

If any/all player(s) in question exceed 45 seconds to play a stroke on one more occasion (a total of four), he/she will be informed as soon as practicable that he has been disqualified. When a/the player (s) has/have been penalized and the group in which he/she is playing regains its proper position and subsequently falls out of position again, the player(s) will be penalized if he exceeds the 45 seconds to play a stroke on two occasions.

Players must also adhere to any rules set forth by the host facility, i.e. soft spike policy, no hats in the clubhouse, etc. Any such incidents regarding Code of Conduct violations will be handled immediately at the discretion of the onsite staff. The matter will then be reported to the Junior Golf Director. The NEPGA reserves the right to suspend and or revoke playing privileges at any time.

Etiquette

Displaying proper Golf Etiquette is required at all times during course of play. Learning the appropriate etiquette of golf will ensure a more positive experience for you and your fellow players. These tips will help you succeed before, during, and after a round of golf.

- Confirm your starting time online to minimize confusion the day of an event. Also, become familiar with the definitions in the USGA Rules of Golf. Remember, it is the responsibility of the player to know and understand the Rules.
- SAFETY. Safety always comes first. Prior to playing a stroke or making a practice swing, always ensure that no one is standing close by or is in position to be hit by the club, the ball, or any objects that may be moved by a swing. Make sure that the group in front of you is not within range of the shot.
- Respect your fellow players. Remain silent and still when a player is addressing the ball or making a stroke. Keep a steady pace while on the course. Always carry an extra ball in case a provisional is needed. Have tees and ball markers readily available in your pocket. Think about your next shot while walking to your ball and be ready to hit when it is your turn. To minimize lost balls off the tee, each individual in the group should pay close attention during each shot.
- Preserve the condition of the course by raking bunkers, replacing divots and fixing ball marks on the green (yours and one more!). On the green, tread lightly. Never run or hit the surface of the green with a club. Never walk on the intended line of putt of any golfer in your group.
- Be respectful towards all employees at the host facility. This includes golf professionals, tournament staff, rules officials and volunteers. Remember, you are a guest at the host facility. A Please and a thank you can go a long way.

PARENT/GUEST CODE OF CONDUCT

The New England PGA (NEPGA) Junior Tour appreciates the support provided by parents, grandparents, guardians, family members, and guests who attend our events. In order to run our tournaments in the most effective manner and provide enjoyment for all involved, we need all non-players to abide by the following Sport Code of Conduct throughout the tournament experience.

I therefore agree,

1. I will remember that children participate to have fun and that the game is for youth, not adults.
2. I will emphasize skill development and practices and how they benefit my child over winning.
3. I will encourage good sportsmanship by demonstrating positive support for all players and respect for NEPGA Staff & Officials, volunteers, and host facility and staff and official at every NEPGA Junior Tournament or event.

Unplayable Conditions

The New England PGA will conduct junior golf events during foul weather conditions including rain, wind and extreme heat. However, in the event these conditions become a dangerous situation or render the course unplayable, we will delay or cancel the event. The host facility has the final say on whether the course is deemed playable. If weather appears to be questionable the day of any event, please check our website or your email account prior to calling the section office. Other than extreme situations, all decisions regarding weather related cancellations are made the day of an event. Unless otherwise specified, we will not reschedule an event. The NEPGA reserves the right to cancel an event under any conditions.

If suspension of play due to a dangerous situation or unplayable conditions prevent the start or completion of an event, the following policy will apply regarding the determination of division and overall champions as well as distribution of points: If less than 50% of the field is able to complete the number of holes in a stipulated round, the event or round will be cancelled. All players will be refunded their entry fee minus an administration fee of \$5.00. No points will be distributed. If at least 50% of the field is able to complete the stipulated round then the overall results will stand. Points will be distributed.

If less than 50% of an age division is able to complete the number of holes in a stipulated round, the results from the age division will be void. All players will be refunded their entry fee minus an administration fee of \$5. No points will be distributed. If 50% of the age

division is able to complete the stipulated round then the results for that age division will stand. Points will be distributed. All players that did not finish will be refunded their entry fee minus an administration fee of \$5. *This policy can be changed by the NEPGA at any point and time and is in effect for all New England PGA Junior Golf events.*

Decision of Ties

Junior Tour

First place, Second place and third place finishes on the Junior Tour will be decided by a card-off. The New England PGA Junior Golf Program has adopted the method recommended by the USGA Rules of Golf. Please review Appendix 1, Part C, Conditions of Competition, 11(c). This method is commonly referred to as the “last 9, last 6, last 3” method. Ties for fourth place onward will be split. Players will share the total of these points.

The playoff will begin on the most convenient hole for the tournament committee and the course. *This policy can be changed by the NEPGA at any point in time.*
